

Environmental Services Hotline

Welcome to the Mansfield Environmental Services hotline. If you have an environmental concern, please call **817-728-3655** and select from the menu choice prompts.

Additional Information

The City's Environmental Collection Center is located at 616 S Wisteria St. The facility will be open for Household Hazardous Waste drop-off the 2nd Saturday of every month from 10am-3pm and the Thursday and Friday before the second Saturday from 3 pm -7 pm. Proof of residency is required. Click [here](#) for a full list of the acceptable items.

Residents may also dispose of electronics during Household Hazardous Waste drop-off events. Click [here](#) to view a list of acceptable electronics.

For information on how you can protect yourself against mosquitos, please visit [mosquito control](#).

To find your recycling and garbage collection day, please visit [trash collection](#) and select the Map Pickup schedule.

If you are new to the city, you can [request a new recycling cart](#) for your home or report a damaged recycling cart.

If you have questions about commercial garbage or recycling service, please contact Republic Services customer service line at 817-317-2000.
