

Forest Camp

Students will learn all about the layers of the forest including the plants, animals, and insects that live there. Each day we will study a specific layer of the forest: forest floor, herb layer, shrub layer, understory, and canopy. Daily activities will include crafts, experiments, nature walks, games, and hands-on nature exploration. A snack related to the theme will be included each day. Oliver Nature Park t-shirt is included in registration.

Pre-registration required by the Friday prior at 9am.

Ages 9-13 years - July 10-14, 9:00 am -1:00 pm - \$100/\$105

Ages 5-9 years – July 17-21, 9:00 am – 12:00 pm - \$75/\$80

Save \$2 with MAC membership. Register at the MAC or online at www.olivernaturepark.com. Registration required. Contact olivernaturepark@mansfieldtexas.gov with any questions or concerns.
