

Junior Geologists

Visitors to Oliver Nature Park are often focused on the plants and animals that live there. But what lies beneath our feet when we visit? Join a naturalist for a geology-related lesson and a walk to explore the inorganic side of nature. Pre-registration required.

Paleontology (8-13Y) - Thursday, June 8th, 12:30 – 2 pm

How are fossils formed, and what can they tell us about the history of the Earth?

Rocks and Minerals (8-13Y) - Thursday, August 3rd, 9 – 10:30am

How are rocks formed, and how do they change over millions of years?

Fossil Finders (5Y+) - Saturday, August 19th, 9 – 10:30am

What are fossils, and how are they made? What fossils can we find at the park?

\$8/\$10 per child. Save \$2 with MAC membership. Register at the MAC or online at www.olivernaturepark.com. Contact olivernaturepark@mansfieldtexas.gov with any questions or concerns.
