

Nature at Night

Join us for an exciting evening exploring nature at night. Activities will include games, crafts, owl pellet dissection, and making s'mores by the campfire. We will also encounter live animals and glow-in-the-dark geology. On our night hikes, we will identify sounds and sights of natural night life! Preregistration required for all ages, including parents.

Saturday, November 11th, 5:30pm – 8pm

\$12/\$14 per participant. Save \$2 with MAC membership. Register at the MAC or online at www.olivernaturepark.com. Contact olivernaturepark@mansfieldtexas.gov with any questions or concerns.
