

## Night Hike with a Naturalist

Some wildlife in Mansfield is only active at night. Join a naturalist as we try to identify the sounds and sights of natural night life! Wear weather-appropriate clothing and comfortable shoes. No need for a flashlight. All participants over 2 years of age must pre-register. Each child must have at least one adult attending and registered for the program. We encourage this program for the whole family!

**Monday, August 7<sup>th</sup>, 8:30-10 PM**
