

Texas Predators

In honor of National Rat-catcher Day, we will learn about Texas predators of all sizes. After talking about native predators and their prey, we will take a hike to look for small predators that live at Oliver Nature Park. All participants over 2 years of age must pre-register for this program. Each child/family must have at least one adult attending and registered for the program. We encourage this program for the whole family!

Saturday, July 22nd, 10 am - 11 am

\$7/\$9 per participant. Save \$2 with MAC membership. Register at the MAC or online at www.olivernaturepark.com. Contact olivernaturepark@mansfieldtexas.gov with any questions or concerns.
